**A N E P I S O D I C F A N T A S Y N O V E L O F  
MAGIC, INTRIGUE AND SENSUALITY**

Told in weekly installments, free for the edification of the public!

**Will the last generation of a royal family learn enough about Love, Compassion and Justice  
from a Magic Book, their lovers, and the mysterious Teacher to save the kingdom?  
OR IS THIS--THE END!**

**READERS RAVE!**

"Beautifully, absorbingly written, multiple well-fleshed characters and cultures, reasonably frequent posting--well worth a look."

"[E]verything that every good fantasy story needs: Magic, prophecies, mysterious--apparently immortal--mentors and curses just to mention a few."

"[H]er easy, sensual writing and well-paced plot...is worth a read, whether you're looking for a lightly fantastic drama, a star-crossed romance, or a fun romp through as many types of and positions in sexuality as any could wish."
